

## **COVID Secure Procedures for Worship in Church**

To help provide a COVID secure environment please observe the following guidance and requirements.

Do not attend worship if you have any COVID symptoms.

Those who are clinically extremely vulnerable are reminded to stay at home as much as possible and encouraged carefully to consider whether it is wise to attend worship.

For attendance at worship, booking is required (before 11am on Fridays in the case of Sunday services). Please book through the Parish Office, [tettenhallregis@gmail.com](mailto:tettenhallregis@gmail.com) or 01902751622, or online <http://events.tettenhallregis.com/>

Please bring a face covering. Face coverings are mandatory inside the church building unless you have medical exemption.

Doors will remain open throughout services to ensure good ventilation. Please dress accordingly to keep warm.

When in church please maintain a physical distance of 2m, wherever possible, between yourself and anyone outside your bubble.

Please be seated promptly and remain in your place while in church, except to receive communion. After the service, please leave without delay.

Government restrictions forbid socialising with more than one other person, and any such interaction must be outside.

Please use hand sanitiser (available in church) on entering or leaving the building and before receiving communion.
